

Secondary School Treasure Hunt Clues

A set of cards to help create a treasure hunt for secondary induction or taster days. This will help new children find their way around the school site. The pupils work individually or in teams to find the places described by the clues and collect the letters to make up the word 'transition'.

Use these [clues](#) to create a treasure hunt to help Year 7 or new pupils navigate their way around the school site.

Pupils collect a letter at each point and then have to work out what the anagram spells - TRANSITION
