Dear Parent / Carer

We will be moving to Remote Learning for all Students in Year 12 & 13 from 10th December 2020 until the end of term. Students will be required to work from home during this time. We appreciate that this decision may not be welcome news and it is not one that we have taken lightly

Students should continue with their learning via the Remote Learning platforms.

Our Students have been a credit to you and they can feel proud of the way that they have navigated their way through a very challenging time in their education. We look forward to their return in January.

We wish you all a safe and happy Christmas,

Yours sincerely,

Heather Nicholas (Headteacher)
